

— THE EXECUTIVE COMMITTEE —

Erin McAllister

Director of Membership

Erin has served as Director of Membership since 2019, overseeing the membership roster, application review, and the New-Member Orientation program. She chairs the Membership Committee and is the principal author of the Society's current application criteria — a 47-page document referenced by the Standards Committee in matters of jurisdiction.

Professionally: Senior Tax Manager at PwC, Chicago office (Private Wealth, Lakefront Practice). She files for thirty-eight Members of The Society and four of their husbands. She passed the CPA exam on the first attempt and refers to this regularly.

Erin grew up on a family farm in rural Iowa, attended Marquette, and moved to Chicago in 2009. She and her husband Mark live on Burling Street with their three children. She drives a black BMW X7 (M50i, Cognac interior), Illinois plate **LPTS** — and keeps three additional BMWs in active rotation on Turo, a side arrangement she has personally modeled, depreciated, and, when questioned, defended.

Current Initiatives

- LPTS Member Card NFC Upgrade — replacing physical Member Cards with tap-to-verify NFC credentials for participating establishments
- Lincoln Park Parking Spot Registry — an informal Member database of prime spots, categorized by block, time of day, and enforcement pattern
- Application Criteria Review 2026 — updating the 47-page document to reflect current Lincoln Park demographic reality and the BMW M series expansion
